O - Factory Option that can be ordered before a vehicle is manufactured

DISCLAIMERS

1. Horsepower and Torque ratings based on GSO Technical Regulations (ISO 1585). Your results may vary. Horsepower and torque are independent attributes and may not be achieved simultaneously.

2. Auto Stop/Start will not occur in all situations.

3. Don't drive while distracted or while using handheld devices. Use voice-operated systems when possible. Some features may be locked out while the vehicle is in gear. Not all infotainment features are compatible with all phones.

4. Driver-assist features are supplemental and do not replace the driver's attention, judgment and need to control the vehicle. May not operate in some driving and road conditions (including at certain speeds) or adverse weather.
